Color Paste WI Orange 1

(Provisional)

Description

COLOR PASTE WI ORANGE 1 is an orange waterborne dispersion of organic and inorganic pigments.

Application

COLOR PASTE WI ORANGE 1 is specifically designed to color acrylic waterborne adhesives, imparting a orange tone. It is particularly suitable for the manufacture of packaging tapes.

Handling

We suggest to add 0.3-0.5% according to the final required result.
Stir it well before taking any quantity from the original drum.
Filter the coloured adhesive mass before coating.

Packaging

The product is supplied in plastic drums (25 kg); IBC containers (1200 kg).

Storing

COLOR PASTE WI ORANGE 1must be stored at temperatures between +5°C and +35°C, avoiding freezing conditions and direct sun light. Keep container well sealed.

Use within 12 months from production date (unopened and in the original packaging).

Build date 11 Sep 2025
